ABOUT

DJ Romi SoulPower from Stuttgart Germany wants for her listeners to create a **powerful but sensitive** atmosphere that mesmerizes with **Latin/Afro/Tribal/House** sounds. Music is in her blood and with **over 10 years of active stage experience** as a Zumba instructor, she lives it from the bottom of her heart. Since the end of 2022 she's been a DJ, producing her own mixes and thus carrying her magical gift to the outside world to put a smile on the face of others and help them to bring out their true essence.
